

MEETING TABLES

designed by Quadrifoglio Group

**Style, in the plural.
Meeting Tables:
single elements
or compositions,
customisable in terms of
dimensions and finishes,
to fit with the styles of
different environments.**

Stile, al plurale.

**Meeting Tables: monolitici o composti, personalizzabili
nelle forme, nelle dimensioni e nelle finiture, per
assecondare gli stili di diversi ambienti.**

MEETING table | Elm top and White frame
DUNE executive chair | D02/273 fabric
MIAMI metal pot | Umbra Grey

SERENITY meeting table | Whitened Elm top and Umbra Grey frame
CLUE design chair | Umbra Grey shell with C05/291 fabric, Umbra Grey legs
CARTESIO pendant track with Queen lights | Black

Serenity table. The ideal solution for temporary set-ups in offices, educational spaces, co-working areas, libraries and universities: large dimensions, folding surfaces, castors with brakes and inclined legs. Clean design, efficient functionality.

Tavolo Serenity. La soluzione ideale per allestimenti temporanei in uffici, spazi educational, aree di co-working, biblioteche e università: grandi dimensioni, piano pieghevole, ruote dotate di freno e gambe inclinate. Un design pulito, una funzionalità efficiente.

MEETING table | Canaletto Walnut top and White legs
CITY design chair | D02/272 fabric and White frame

Thanks to its multi-modularity given by practical hooks, and to the space-saving stackable design, the Pop-Up model makes it possible to easily organise shared spaces.

Il modello Pop-Up permette di organizzare agevolmente uno spazio dedicato alla condivisione, merito della multi-componibilità del modello data dai pratici agganci, e della predisposizione impilabile salvaspazio.

POP-UP flip-top mobile table | Elm top and Umbra Grey frame
CODE design chair | Ocher and Umbra Grey lacquered shell
